

**DEPARTMENT OF PHARMACY,  
BARKATULLAH UNIVERSITY, BHOPAL**

Prof. Ragini Gothalwal  
(Head of Department)

**Pharmacy Profession**

Pharmacy is the clinical health science that links medical science with chemistry and it is charged with the discovery, production, disposal, safe and effective use, and control of medications and drugs. The practice of pharmacy requires excellent knowledge of drugs, their mechanism of action, side effects, interactions, mobility and toxicity.

The Pharmacy Department works toward educating pharmaceutical leaders and developing highly competent practitioners who advance, promote, and protect human health. Pharmacy students become highly proficient in becoming an industry and scientific experts when applying knowledge in both professional and academic.

The goal of the Pharmacy program is to render professional skill, knowledge, abilities to serve in pharmaceutical industries and to provide appropriate medication service to the patient. The curriculum philosophy aims to provide ability to design & evaluates various dosage forms & also provides Regulatory & Ethics to be followed in Pharmaceutical Manufacturing Processes. The academic program for B.Pharm and M.pharm provides an in-depth adequate knowledge & scientific research updates including basic principles & advances in Pharmaceutics, Pharmaceutical chemistry, Pharmacology & Phyto-medicines.

This Department was established in 1997 and is recognized by **AICTE and Pharmacy Council of India, New Delhi**. The department offers Bachelor in Pharmacy four years degree course spread over eight semesters under the self-

finance scheme and Masters in Pharmacy in Pharmaceutics and Pharmacognosy. Department having facility of digital library, DelNet, computer Centre.

### **Vision and Mission:**

Pharmacy program offers students an opportunity to gain direct practical experience through both public and private pharmacies where students conduct their practice.

Through approach, students take part in mandatory summer practice, Industrial Training, Various camps like Blood Donation, Health Check-up Camps, further increasing their exposure and experience in professional settings from the first year, aiding them to become skilled leaders and healthcare professionals.

Highly diverse and experienced staff works with an individual approach to each and every student, providing mentorship, and progressive monitoring to ensure academic and professional growth. Department of Pharmacy staff supports the participation of students in local, national, and global health programs and events that support health improvement and disease prevention and treatment.

### **Academic & Extension Activities of Department of Pharmacy**

Teaching, Research, Industrial Training Programmes, Seminar, Workshops, Special lectures, Curriculum development, Students Induction Programmes, Study tour, Project Guidance, Theme based Poster Competitions.
