

MEMORANDUM OF UNDERSTANDING

This **MEMORANDUM OF UNDERSTANDING** (MoU) made and entered into on this **14th October 2019** by between following parties:

A. **BARKATULLAH UNIVERSITY, Bhopal** which expression shall mean and include its successors in interest and assigns of the second part (hereinafter referred to as BU)

and

B. **JIWAJI UNIVERSITY, Gwalior** which expression shall means and include its successors in interest and assigns of the first part (hereinafter referred to as RGPV)

WHEREAS JU, and BU are interested in entering into a MoU with a view of sharing a common desire to explore, extend and strengthen are functional relationship between the Universities with experienced Faculty and well established R&D facilities; in order to share the facilities and expertise available with each of them for mutual benefit, herewith, sign this MoU on following broad understanding :

1. The Faculty of BU/JU may take part in teaching programme of each other University if desired so, by both the Institutions. Topic of lectures and days/time will be fixed by mutual consultation between Deans/Faculties of the two Universities.
2. The Ph.D. Students working in either University will be allowed to carry out a part of their research work in other University, if requisite instrumentation

and other facilities are not available and the host University will extend all necessary facilities and expertise to the research students on payment of charges as prescribed by the Institution providing the facility or as agreed upon mutually on case to case basis.

3. Collaborative research programmes by the Faculty of both Universities following the common research mandates of both the Institutions may be developed and cooperate in the exchange of Faculty and researchers to encourage sharing of experience, scientific knowledge, and technology advances.
4. The Faculty of JU and BU may apply for joint collaborative research projects to National and International funding agencies (Public/Private). Data generated through such collaborative research will be published in peer reviewed journals jointly by the Faculty of both the Institutions.
5. In the existing and likely Intellectual Property regime, techniques technologies, materials etc. developed/perfected of any immediate or likely commercial value would be the joint property of both Universities and the Intellectual property claims/formalities would be filed/made jointly.
6. All research materials used in the collaboration will be transferred using Material Transfer Agreements (MTAs). Further, the transfer of biological materials, including breeding materials and germplasm, will be subject to pertinent biosafety and bioprospecting laws, rules, and regulations. Either party may use such materials, but will give full credit to the source of the materials. Results of the collaborative research will be jointly published in the public interest as mutually agreed upon.
7. The MoU will be effective for the period of 10 years from the date of signature.
8. This Memorandum of understanding reflects the respective Institution's commitments to terms and conditions mentioned in MoU. This memorandum of understanding may be amended or terminated at any time by either party provided that notice of termination or amendment is given by

the notifying party to the other party before thirty (30) days of the date on which the termination or the amendments is intended to become effective. The commitments, made before the date of termination of MoU, will continue to be operative.
